Sonoma Online NA Business Meeting
JAN 30, 2022

Group Discussion:

Old Business:

- Contact List
 - Reminder, if you are a trusted servant and your info is not listed on the Contact List, please email it to sonomaonlinena@gmail.com

New Business:

- Meeting Format Changes:
 - Include better instructions for each format type. Have link to the type instructions then link to the format (like literature, JFT, wheel, etc)
 - Literature Format:

“Meeting format for today is literature study. If I could please have volunteers to read?”

I'll call on people in order, and if each person would please read a small section. When you're done reading, you can announce "pass" and another reader can begin. I will monitor our time and when appropriate, I will open the meeting for discussion.” APPROVED
 - Speaker Discussion: “At this time I would like to introduce _____ as the speaker, who will share for ____ minutes, the speaker may select a topic and after we will open the meeting for sharing.” APPROVED
 - Stick Topic: “We will select a stick topic, open the meeting for a few shares, then select another stick, and so on. You may share more than once if inspired but be mindful to share the time.”
 - Wheel: “We use a topic wheel/board to select topics to share on. Please indicate that you would like to speak, then we will select a topic for you. You may share on that, ask for another topic, or share on whatever recovery related topic you want.” APPROVED
 - Meditation: already has link – is this sufficient? Yes.
 - Sunday meeting format: Sunday 10am does not have a format online. Need to add it, will it be same as all others, or different. If different, what are the differences? - Tabled till next month to approve format and post on website.
 - Format for the Readings. Are they large enough to read, should we just link to the “reading cards”
https://www.na.org/admin/include/spaw2/uploads/pdf/litfiles/us_english/misc/Who%20Is%20an%20Addict.pdf .
 - if we do link to cards, it will require more clicking back and fourth with format and could impact future hosts that use ipad or similar device (as share screen is limited on those devices to only one webpage domain at a time. Like we can link anywhere within the sonomaonlinena but

would not be able to link externally without a stop share and reshare for the new link).

- To make screen larger you can zoom your browser.
- There could be device issues
- Maybe ask the readers to use a book if they have one
- Doesn't seem like a big issue
- Logon from another device to see if it is large enough when you share screen.
- **GROUP Decided to keep the readings as they currently are.**
- Link to GSR Report: Add to format in business meeting area: "you can find a link to the business meeting notes and gsr report at: <https://sonomaonlinena.org/service/service-meeting-notes>)
- Add actual link to - The Sonoma Online NA group does provide proof of attendance. Go to our website, scroll down, and click the "Proof of Attendance" link (<https://sonomaonlinena.org/proof>). You will be prompted to enter tonight's password which is:
- Times up indicator for people speaking
 - Add 1 minute link to image and a times up link to the times up image to format by the discussion area.
- Discussed formats and using the same format at every meeting that is approved. We all agree. There could be a device issue that the secretary has been having. Will try to reach out to troubleshoot with sec her device.
