Meeting ID: 917 628 744
Passcode: 006363
 - H&I presentations: Sherrif's Panel, Fire Camps, Sponsorship behind the walls en espanol, NA and the Media when publicizing events, PR - Carrying the message further in our own backyard.
 - H&I and PR are in the middle of a revitalization campaign. Ask yourselves if you have any input or extra bandwidth to help with this vision of H&I and PR

Service Corner

- I attended a couple of the Schools presentations via zoom presenting to classes at Petaluma High. I got so much out of this, not just connection with fellow addicts but a sense of purpose and helping my community that is in crisis. We have the ability to affect outcomes and cause a ripple from our community and beyond. We can save lives. I brought the presentations up at last region meeting and PR at the region level is looking into setting up a mentoring program where area with more experience with things such as schools presentations, could mentor other areas with less experience. It is about helping the next suffering addict and what better way to reach our hands out to the younger generation. PR can use your support.
