The ASC shall maintain a prudent reserve equal to ~~2/12 (two-twelfth)~~ 1/4 (one quarter) of the previous year's expenses, to be calculated at the annual budget meeting in October.

RCM REPORT TO SCFNA AREA 2022-0910

RCM Report to the Sonoma County Fellowship

Date: Sept 10, 2022

RCM1: Seth B.

RCM2: Dickson

ANY QUESTIONS: call Seth at 707-331-3380 or

Dickson 707-824-8700 email at scfna-rcm1@ncrsc.org

REGIONAL TOPICS OF INTEREST

Your service structure is committed to serving you, the NA member, through your local meeting group GSR. Please feel welcome, at any time, to contact your RCM for anything that you would like to have brought to the regional and world level. You have a strong voice and we are listening!

1. **Gender Neutral Group Meetings** - PLEASE encourage your members and groups to honor the process by **participating** in any discussions and decisions about changes to our literature. Motion 13 from the 2020 Conference Agenda Report (CAR) relates to this discussion. The motion supports a discussion that would allow the global Fellowship to consider gender-specific language issues in our literature again. Here is the [CAR](#).
2. **Norcan / Naloxone** : NA Insurance does not cover a "group" or "trusted servants" to administer Norcan to the public.
3. **Resources for H&I and PR now available:** [Extensive resources](#) (presentations, videos) are now available for your local group and committees to "adapt and tailor" to quickly make presentations and to better answer questions consistently.
4. **Collaboration of US Zones:** Please share this Youtube video [About US Collaboration of Zones](#) with your area and groups and help develop our **regional conscience**. The video is a presentation and poses this question: *Does your region support the zones of the US forming a service body to collaborate?*
US Zones would be able to address gaps in the current service structure, including: centralized technology for a national PR website/phone line, Fellowship Development (FD)/Outreach, assist in providing national PSA's, improve access to workshops & training material across the all the Regions in the US to grow our local NA communities. **Your SCFNA RCM requests feedback from subcommittees in support of this initiative.**
5. **Regional Treasurer Report & Financials:**
 - a. **New Treasurer:** A new regional treasurer was elected into service, RSC Treasurer, Lorie C rsctreasurer@ncrsc.org. The position was critical to making decisions and moving forward. Many thanks to the outgoing treasurer, PattyS from Sonoma County, for doing a most outstanding and amazing job!
 - b. **Group Insurance:** Regional insurance bill was paid \$19,603.70 - insuring your area and groups are covered by the insurance policy. Does your group meet in a facility requiring proof of insurance? Get what they may request from: https://www.norcalna.org/insurance_policy.php

RCM REPORT TO SCFNA AREA 2022-0910

- c. NorCal Region is still holding \$21,596.84 in encumbered funds, to be “released” in October. In the absence of additional action in October from the RSC, 20% of these funds would move to our available discretionary and the rest would be donated to NAWS. If the body chose to in October, it could also decide to use these funds to fill the budget “shortfall” which is explained as: .
 - i. Please let your area and local NA groups know that regional donations are currently **substantially** behind projections. While the hole in our prudent reserve is currently only \$1,492.64, our projected monthly income from donations was \$8,606.24 (which at the time we thought was conservative). However, actual donations for the first three months have averaged only \$5,373.83, or \$3,232.41 per month less than projected. Should this continue, we would have a shortfall of \$38,788.92 in revenue vs. what we projected. Some expenses will be less than projected, but will be insignificant to the overall shortfall.

Your SCFNA RCM requests guidance and suggestions from the SCFNA ASC, JAC, GSR's. At the moment, your RCM is going to make a motion at region in October to retain the encumbered funds further until the next 12 month RSC budgets can be reviewed and discussed in depth, in relation to the NCCNA.

6. **NCCNA 44** Sacramento, CA (April 6 – 9, 2023)
 - a. Assistant Treasurer - the motion passed allowing access to the online bank account despite the bylaws does not have them as a signer – issue around not “voted-in” position
 - b. NCCNA Final Budget
 - c. ***NCCNA serves at the request of your local NA groups within the Northern California region.*** Your local group needs to be aware that costs of running the annual convention are sharply increasing. To get steep discounts for NA members attending conventions, NCCNA must reserve convention halls several years in advance, make substantial down payments for hotel rooms, convention halls, merchandise. All of these costs are rapidly rising.

Problem: a sharp increase in cash flow problems. A lot of expenses occur many months before income starts to roll in. Managing the financial risk has the attention of the greatest minds in NA.

NCCNA prudent operating reserve has been increased from \$150k to \$200k. NCCNA 44 (upcoming April 2023) is budgeting income of \$323,350, expense, \$317,455, net income of only \$5,895. Compare to pre-pandemic NCCNA 41 (April 2018) of \$302,741.32, expenses \$238,969.43, and net income of \$63,771.89

Your SCFNA RCM requests guidance and suggestions from the SCFNA

- 12. **YAPP & BMLT** MCFNA : Implemented BMLT, so Marin County meetings (virtual and in-person) can be found on BMLT app. Going to look into switching NA hotline to YAP
- 13. **Environmental Scan Revision Ad-Hoc (FST)** : Your feedback is needed for the "process" of how to conduct the annual survey in a way to enhance participation of all groups. The output of this "regional inventory" sets the direction for the region for the coming year. New ways to increase area/group participation were discussed at length. The FST will consolidate the information and come up suggestions in future regional meetings.
- 14. **Mileage Reimbursement:** Motion for .42 a mile reimbursement : Passed
