Old Business:

1. To change the SCFNA Area Guidelines, Page 8, under members, section B, number 13, adding the sentence in red below: No standing Subcommittee shall operate without operational guidelines approved by the ASC. All subcommittees are required to give an oral report at each regular ASC meeting and a written report to the ASC secretary. Subcommittees with separate bank accounts are required to submit a financial report and monthly bank statement, along with their written report. Subcommittees with separate bank accounts may accept payments for fellowship events or merchandise through P2P payment systems (e.g., Venmo, PayPal, CashApp), using accounts in the Subcommittee's name with its banking information. PASSED. 47 YES, 0 NO, 1 ABS

Intent: By implementing this solution, the Fellowship can enhance the payment experience for both the subcommittees and their supporters, increasing engagement and participation within the Fellowship by providing convenient ways to access events and merchandise. Maker: Tania Second: A...

2. To delete from Page 12, under Operational Guidelines, Section 6: J. Encumbered Funds: 1. \$500 will be encumbered to cover the insurance deductible in case of a claim against a meeting. Intent: To release funds no longer required for a "deductible". Maker: Janet B, Second: Lisa C. PASSED. 45 YES, 0 NO, 1 ABS

3. To amend NAYC guidelines. Intent: To make guidelines updated & current. Maker: Matt D., Second: Jennifer O. PASSED. 37 YES, 5 NO, 9 ABS

Elections

Motions:

1. Instead of independent phone lists printed and updated by each meeting in our county I made a motion that we have a "universal" list. Maker: Manuel. Second: Mark. Intent: for all members to submit broader phone list for newcomers to access and perhaps home group attended added to list.

2. Change to contributions to NCRSC. Page 9 of guidelines on the SCFNA website: Under Operational Guidelines Section D. DELETE: 3. After paying all expenses and encumbering funds for projected expenses, all funds that exceed the established "Prudent Reserve" will be sent to the NCRSC, in the form of a donation. CHANGE TO: 3. The financial guidelines regarding contributions of SCFNA are as follows: a. Monthly Contribution Handling, 1. Minimum monthly contribution: The SCFNA will make a minimum monthly contribution to NCRSC in the amount of \$50. 2. Maximum total contribution: After paying all monthly expenses, any SCFNA funds exceeding the prudent reserve will be contributed to the NCRSC, up to a maximum of \$500. The maximum contribution will be reevaluated every year in March (which is a half-year

evaluation). 3. Excess funds: The retained excess funds, along with the prudent reserve, will be available for use by the SCFNA when needed until the annual budget meeting. b. Yearly Contribution Handling. 1. Fiscal year allocation: in September the excess funds in the SCFNA bank account (above prudent reserve) will be evaluated to determine if a higher prudent reserve is needed. If required, the funds will be used to fulfill the higher prudent reserve first. 2. Contribution to NCRSC: After ensuring the prudent reserve is met or exceeded, any remaining excess funds will be contributed to the NCRSC. Intent: This contribution structure allows SCFNA to stabilize its feast or famine financial cycles while also delivering more regular and consistent contributions to NCRSC. Maker: Janet B. Second: Lisa C.

ANY QUESTIONS? Don't hesitate to call 707 324-4062 x810 or email at scfna-rcm1@ncrsc.org

Your questions and concerns matter. Reach out to your Group Service Representative (GSR) and Regional Committee Member (RCM) for assistance at any level. "Our fellowship has no authoritarian hierarchy...NA service is the collective responsibility of our fellowship as a whole." —Tradition 12, It Works: How and Why

AREA TOPICS (Sonoma County Fellowship of NA - SCFNA)

Area Inventory Update: In accordance with ASC guidelines, we'll be gathering completed responses from our dedicated GSRs today. Hopefully, you've had a chance to complete the [online](#) or [printed](#) form either as a group or individually. Your responses will be compiled and presented at the Area meeting next month, which is on October 19th.

SCFNA Area 2024 Budgeting: SCFNA is beginning its 2024 Budgeting planning. SCFNA Treasurer submitted two things to the Area in August, which your RCM's reported to the RSC:

1. a motion to change the SCFNA Area Guidelines to smooth out our area's feast & famine cycles of our contributions to the region. The potential of this motion passing (voted to be held Sept 21) was reported to the region to apprise them for a potential variance in their 2023-2024 budget.
2. SCFNA Treasurer sent out a "2024 Budget Form" to all subcommittees. The regional and world calendars are "in flux" at the moment, and next year's calendars are not yet posted. For this reason, your **RCMs suggest that SCFNA subcommittees consider putting "Learning Day, Training Day, etc." with estimated amounts into your budgets as a placeholder**, and check for any appropriate Sharing Forums to get 2024 Regional, Zonal, and World Events in the coming months.

SCFNA Area Service Committee Elections: Prepare to embark on a journey of service within the Sonoma County Fellowship! All individuals within our fellowship are eligible to step forward as candidates for the 2024 Area Service Committee. Check the [ASC Guidelines](#) for requirements and position duties. If you're ready to make a difference, submit your motion at the November 16th meeting, face the vote in December on the 21st, and take your seat on January 18, 2024, for the new 2024 ASC term. Your commitment to service is greatly appreciated!

2023-0921 RCM SCFNA REPORT TO ASC

Exciting SCFNA Events: Mark your calendars for a series of fantastic events, including Unity Day (Sept 23), Big Weiners & Phat Buns (Sept 24), Men's Breakfast (Oct 21), Women's Brunch (Oct 22), Halloween (Sun, Oct 29), and the Holiday Marathons (Nov 22-23) & (Dec 24-25).

These months promise inspiration, connection, and unity. Join us as we wrap up the year with enthusiasm and camaraderie!

REGIONAL TOPICS Northern California Region (NCR)

The Northern California Region consists of the Regional Service Committee (RSC), and its two subcommittees: the Northern California Convention of NA (NCCNA), and the Regional Service Office (RSO). Here are their reports.

REGIONAL SERVICE COMMITTEE (RSC)

Use this link to access the full reports submitted to region [Sept 9, 2023 RSC Agenda / Minutes](#). The following are extracts of highlights for expressly asking for SCFNA Area review and comments.

RD/AD : 2023-2024 Environmental Scan Survey for Delegates SCFNA Groups and Area can provide feedback directly to your RCMs on issues that you would like NAWS and Zonal Service Bodies to improve. Your RCM's are at the moment going to report issues with the Zonal Support (see next topic), concerns over how events are calendared and accessible to the general public and NA Fellowship,

ZONAL Support

The Regional Delegate (RD) and Alternate Delegate (AD) asked the 23 Areas of the Northern California Region (NCR) at the monthly RSC (Regional Service Committee) meeting: **"Does your region support the eight existing zones of the US to also collaborate as a single national service body?"**

There are currently 8 NA zones in the United States. Our zone is called the Western States Zonal Forum which comprises 13 NA Regions, of which we are one of them. Our support of a national "presence" is loosely based on a comment made by the US Attorney General stating that the world services organization of NAWS precludes the federal government from working directly NA, suggesting that a national service body is needed to be "recognized" for both the PR and H&I efforts of NA. For a background on NA Zones, and the issues around getting a regional consciousness on the subject see DRAFT - Zonal Support by SCFNA Area. Your RCM's invite everyone in this area to read

2023-0921 RCM SCFNA REPORT TO ASC

this report that we are writing and provide your feedback and thoughts. Several issues have already been raised and are included in the report we are compiling.

REGIONAL H&I SURVEY : H&I Basics Survey

1. **The deadline for this survey is 31 March, 2024.** There have been many changes in the world since H&I Basics (www.na.org/basics) was first published in 2010, and NAWS has heard of many adaptations and new approaches. You may have experience in all the areas below, or just one. We appreciate your willingness to help us. This survey is intended to help create new resources for H&I service.

Our current vision is to have three H&I Basics – one focused on corrections, drug courts, and sponsorship behind the walls; another focused on carrying the message into treatment facilities; and one more on H&I committees and their function. We are open to wherever the Fellowship input leads us but wanted to give you an idea of how much we see there is to do. We need and want your help to revise our H&I resources to illustrate the range of current H&I experience.

RSC GUIDELINES MOTION : As RCM's we voted yes to approve the motion presented to change RSC Guidelines to allow either the BOD President or the Vice-President to present their report at the RSC. The motion passed. However, it raises a question for SCFNA: We don't have enough time to report these to our area and get Area conscience. We would require 60 days but haven't been asking for it. The RSC Guidelines VI:D7:Changes to the NCRSC Guidelines or policies of the RSC will be automatically tabled for a minimum of 1 month. Straw Poll: Do you want RCM's to have "vote of the area confidence" or do you want all motions at RSC to be "tabled" for 60 days, rather than one month?

Northern California Convention (NCCNA)

NCCNA Future Conventions: NCCNA 45 will be in Santa Clara. For fiscal reasons, NCCNA 46, 47, 48, 49 will be Sacramento.

Northern California Regional Service Office (NCRSO)

NCRSO reported two items of specific interest to Sonoma County.

1. In response to SCFNA requests to have the profitability of RSO disclosed, they gave extensive financial reports and discussion. When RSO disclosed that they were getting a 27% discount from NAWS, and looking at their supporting expense reports, your RCM's feel that the question has been answered at this point in time. We not be pursuing this question further unless members of the SCFNA area present more questions.
2. RSO presented their new Literature Order discount structure. The question for the SCFNA Area is whether it benefit our area to order every other month, or combine with another area, so that we can be in the higher tier for the best discount of 8%?

Other Areas in the RSC

- Many of the other areas are doing multi-area events to try to fix their financial troubles, this might be an idea for our area to consider doing to help out areas that are having a hard time staying afloat like **Lake County, East Bay North, River Cities, Shasta Trinity** and the **Spanish Speaking Areas** who has been inactive for many months.

naws on news

VOLUME FIFTEEN | ISSUE ONE | SEPTEMBER 2023

In the 4-5 months since the WSC ended, we have been busy putting the conference's decisions into action, staffing up, upgrading our technology, and preparing for WCNA 38. This issue of *NAWS News* highlights some of that activity. We're trying to keep it concise for readability and translations. Don't hesitate to email any questions: wb@na.org.

POST-CONFERENCE UPDATES POSTED

Before every conference, we update our statistics using the data from regional reports. As of May 2023, there are 72,215 weekly NA meetings in 143 countries. **Check out the map.**

We've come a long way!
(Click for a video of NA's growth over the decades.)

The Group Booklet has a fresh new look, and we've added the footnote approved at WSC 2023: "Virtual NA meetings that meet regularly can choose to be an NA group if they meet the criteria described in this booklet. *Virtual Meeting Basics* may be a useful resource for virtual meetings. It is posted on www.na.org/basics." The same footnote will be added to *A Guide to Local Services in NA*, and the paragraph on the first page of *Virtual Meeting Basics* has been updated.

The revised *Fellowship Intellectual Property Trust* and *FIPT*-related documents have been posted and we are working on updating the *FIPT* video. You can find all of them at www.na.org/fipt.

A Vision for NA Service has been posted with the change made at WSC 2023: *his or her own language and culture* is now *their own language and culture*.

After WSC 2023 decided to try a three-year conference cycle for the next six years, we made all of the corresponding changes to *A Guide to World Services in NA*, which is posted on www.na.org/conference. To minimize confusion, we have also edited a line in IP #28: *Funding NA Services* as follows: Funding regional delegates from around the world to attend the World Service Conference every two years.

For more information on the revisions and other conference decisions, see the Summary of Decisions posted at www.na.org/conference.

WCNA

The 38th World Convention, *The Power of Love*, will be in Washington, DC, 29 August–1 September 2024. The convention will be centered at the Walter E Washington Convention Center in downtown DC. We plan to go on sale in the last quarter of 2023 and will have information about hotels at that time as well. We will email everyone who is **subscribed** to a World Services email list (*NAWS News*, *Just for Today*, and *A Spiritual Principle a Day*) before we go on sale.

The steps are our solution. They are our survival kit. They are our defense against addiction which is a deadly disease. Our steps are the principles that make our recovery possible.

Narcotics Anonymous, "How it Works"

120-DAY NOTICE

Information about the Twelve Steps is included in three different NA books. It's common for NA sponsors to advise sponsees to read about the Step they are working in the Basic Text and *It Works: How and Why* before answering the questions in *The Narcotics Anonymous Step Working Guides*. In that spirit, we are proposing to bundle this material into one boxed set titled *The NA Survival Kit*. More information is available from the 120-day notice link on www.na.org/fipt.

MEETING LOCATOR CHANGES

The most important assistance NA service bodies can provide is helping addicts find meetings. As we have been reporting, we have plans to improve World Service's role in that effort: rather than try to replicate the meeting information maintained at area, regional, and zonal levels, we will help people find local websites and phone numbers. (We will continue to maintain information for in-person or hybrid meetings that have no local service body to list them, and for virtual meetings.) To list or update virtual meeting information, just fill out [this online form](#).

As a first step in this transition, we sent emails to the delegates of all seated and unseated regions and zones. We are asking delegates to confirm their member service bodies (regions, areas, etc.) and current helpline and phonenumber information. We need the geographic center (city) for every service body and phone listing because when members search for meeting information, the results are returned based on that geographic information. Any updates for website addresses and phonenumber information can be sent to Lori@na.org or Donnell@na.org.

We will discuss this at the upcoming conference participant web meeting, and we may have a separate web meeting focused solely on this topic if it seems like that would be helpful.

PLANNING

We launched a new collaborative planning process at WSC 2023, and we are in the inventory stage right now with an environmental scan survey posted at www.na.org/survey for delegates to fill out before December. The results of that survey will be discussed at the zonal level, and those discussions will help shape the strategic plan objectives and milestones. The inventory process will be the focus of the September conference participant web meeting.

IDTS POSTED

We have posted English and Spanish workshop material and online input forms for two of this cycle's Issue Discussion Topics (IDTs): *Gender-Neutral and Inclusive Language in NA Literature* and *Dealing with Disruptive and Predatory Behavior*: www.na.org/idt. Check them out! And don't forget the collection of resources on addressing predatory, disruptive, and violent behavior on our local service resource page (www.na.org/localresources).

H&I SURVEY

We are collecting ideas to revise *H&I Basics* to reflect current practices and cover the specifics of H&I service in more depth. Our current vision is to have three H&I Basics—one focused on corrections, drug courts, and sponsorship behind the walls; another focused on carrying the message into treatment facilities; and one more on H&I committees and their function. The survey is posted in Spanish and English with Farsi, French, German, Hebrew, and Portuguese coming soon: www.na.org/survey.

FUTURE OF THE WSC

The workgroup for the Future of the WSC will meet for the first time this month. The workgroup is large, with a member chosen by each zone, plus Iran, as well as three board members. The workgroup is charged with framing ideas, for World Board and conference participant discussion, about how to make a three-year conference cycle more valuable and productive. The topics they will address include the new planning process, how to add value to the interim WSC meeting, vetting *CAR* motions and the *CAR* survey, improving the in-person/hybrid WSC meeting, and more.

FOCUS GROUP VOLUNTEER FORM

Want to help with the work? We've posted a list of focus groups, web meetings, and opportunities to share experience for the 2023–2026 cycle. Use the form on www.na.org/survey to sign up, but bear in mind that there won't be an opportunity for everyone to join a focus group. Sharing ideas about posted drafts, completing surveys, and participating in workshops are also very important ways to help the work.

TRAVEL

World Services is starting to travel again on a very limited basis, in response to requests. In August, we traveled to the Canadian Assembly and Convention (CANACNA) and the European Delegates Meeting (EDM). In October, we will host and attend the Afri-Can Zonal Forum (AZF) and attend the Multi-Zonal Service Symposium (MZSS), and we will attend the Latin American Zonal Forum (LAZF) in October/November. We are still trying to participate virtually when possible to better steward our scarce resources.

BUT WAIT: THERE'S MORE

- More than 1,000 people attended the Unity Day Webinar. Thank you! We will provide an audio link for the next recovery webinar as well as zoom to increase our capacity.
- Our long-time staff at WSO Canada, Jacquie and Paul, have left their positions. We have operations covered for the short term and will announce changes as we progress. We apologize for any interruptions in operations recently. Our heartfelt thanks to both Jacquie and Paul for their decades of service.
- We've hired four new staff since the WSC: Daniel C and Andrea L on the communications team, Eugene K in shipping, and Sasha P in translations.
- The July issue of *Reaching Out* has been posted in English, Portuguese, and Spanish.
- Recent published translations include: Georgian, Finnish, and Tamil Basic Texts; the French Basic Text ebook; Arabic and Zulu Little White Books; *Living Clean* in French; and keytags in Chamorro, Cherokee, and Sardinian. We publish literature in 57 languages, and the Basic Text is available in 39 of them!
- Our Instagram [@narcoticsanonymous](https://www.instagram.com/narcoticsanonymous) now has more than 21,000 followers, and [@naglobalevents](https://www.instagram.com/naglobalevents), our Insta devoted to events, has almost 3,000.

We welcome your ideas and input: worldboard@na.org
