*Your questions and concerns matter. Reach out to your Group Service Representative (GSR) and Regional Committee Member (RCM) for assistance at any level. "Our fellowship has no authoritarian hierarchy...NA service is the collective responsibility of our fellowship as a whole." —Tradition 12, It Works: How and Why*

### AREA TOPICS (Sonoma County Fellowship of NA - SCFNA)

**Area Inventory Update: Your Feedback in Action!** RCMs have collected and compiled the unedited written and online responses from the SCFNA groups, GSRs, and members at the Sept ASC. We've received valuable suggestions for area-wide solutions. Coincidentally, some of these suggestions are already being incorporated into the newly proposed ASC Guidelines. Please review their ad-hoc report on this matter. There are a many suggestions requiring ongoing discussions. Therefore, tonight, Oct 19 at ASC, we are passing out a flier announcing the formation of an ad-hoc team to turn the Area Inventory responses into a 2024 Area Action Plan. The ad-hoc is scheduled to meet the 2nd Sunday of each month @ 3pm-4:30pm, starting Jan 14, 2024, at the Area offices in Rohnert Park in-person and also online. See flier: Area Action Plan Ad-Hoc. This Ad-Hoc team will transform the 2023 Area Inventory into a 2024 Area Action Plan. We'll address all your "needs improvement" comments, using the successful strategies that are already in place.

**SCFNA Area 2024 Budgeting:** SCFNA began its budgeting process for 2024 in September. ASC Treasurer has collected the budget requests from the ASC subcommittees, review of these requests are underway, and the ASC Treasurer will be bringing a proposed SCFNA 2024 Budget to the November ASC for the group GSR's take back to their groups.

\* **SCFNA Area Service Committee Elections:** Prepare to embark on a journey of service within the Sonoma County Fellowship! All individuals within our fellowship are eligible to step forward as candidates for the 2024 Area Service Committee. Check the ASC Guidelines for requirements and position duties. If you're ready to make a difference, submit your motion in-person at the November 16th meeting, face the in-person vote in December on the 21st, and take your seat on January 18, 2024, for the new 2024 ASC term. Your commitment to service is greatly appreciated!

### RSO

The RSO is facing a lease renewal decision with the current landlord, set to expire in the upcoming June. The proposed lease term is for five years at a rate of \$207,060. This lease is non-negotiable in terms of an early termination clause ("no-out").

Given the significant financial implications and commitment, RCMs have requested that the RSO present three alternative lease proposals to the RSC, which should also include professional moving costs in case relocation becomes necessary. These discussions have arisen as the RSO has requested several facility repairs, and in response, the landlord has offered the new five-year lease. The current lease is scheduled to expire June 30, 2024.

This situation has raised questions regarding the urgency of signing the contract to ensure the repairs are completed by December-January and to secure the current lower rates. Furthermore, there is a need for clarification on whether the proposed rates have an expiration date and whether there are any negotiable conditions for lease termination beyond the standard Force Majeure clause, which typically covers uncontrollable events or "acts of God."

### RSC Treasurer Audit

The RSC Treasurer Audit was completed for Jan 2023-Jun 2023. A report will be coming out next month.

## 2023-1019 RCM SCFNA REPORT TO ASC

### REGIONAL H&I SURVEY : [H&I Basics Survey](#)

1. **The deadline for this survey is 31 March, 2024.** There have been many changes in the world since H&I Basics ([www.na.org/basics](http://www.na.org/basics)) was first published in 2010, and NAWS has heard of many adaptations and new approaches. You may have experience in all the areas below, or just one. We appreciate your willingness to help us. This survey is intended to help create new resources for H&I service.

Our current vision is to have three H&I Basics – one focused on corrections, drug courts, and sponsorship behind the walls; another focused on carrying the message into treatment facilities; and one more on H&I committees and their function. We are open to wherever the Fellowship input leads us but wanted to give you an idea of how much we see there is to do. We need and want your help to revise our H&I resources to illustrate the range of current H&I experience.

**NCCNA Volunteer Sign-up Sheets** - these are available. Please ask your RCM if you would like to volunteer.

**NCCNA Future Conventions:** NCCNA 45 will be in Santa Clara. For fiscal reasons, NCCNA 46, 47, 48, 49 will be in Sacramento. *- Sign up sheets available.*

### Other Areas in the RSC

- Many of the other areas are doing multi-area events to try to fix their financial troubles, this might be an idea for our area to consider doing to help out areas that are having a hard time staying afloat like **Lake County, East Bay North, River Cities, Shasta Trinity** and the **Spanish Speaking Areas** who has been inactive for many months.
- Sacramento Area will be doing their next **Unity Day** as a multi area event
