GSR Report:

Sonoma Online NA Business Meeting AUG 25, 2024

GSR Report will be posted on SONA Service Meeting Notes Page.

Group Discussion:

- **Old Business:** Flyer published on the website (sonomaonlinena.org) as image also added on the Service Notes page as a jpg and pdf (<https://sonomaonlinena.org/service/service-meeting-notes>).
- **New Business:** group voted to not contribute to Area this month, since we will be (-) in our prudent reserve once annual Zoom fee is paid in September.
- **New Business:** whether or not we should move GSR report to the end of the meeting. Trusted servants who are not from our area may not need in-area information, and, may not be able to stay when the business meeting runs late, therefore, they may miss out on more important information. We agreed to move this to September for a potential motion / vote, since this appears to be a format change. We agreed to bypass format this month and GSR report was given at the end of the meeting.
- **New Business:** do we want to have holiday marathon meetings? If so, Thanksgiving is coming up—and the best way to prepare—is to being planning now. Create Ad Hoc?
- **New Business:** Literature person should only announce; (1) the formatted literature announcement, and, (2) a short peiece of NA approved literature (1-2 paragraphs). Literature person should be advised by Secretary if they are sharing anything else, e.g, their experience with the literature as a quasi-'share' The group re-clarified this is the case [no need to carry this over as new business for September].
- **New Business:** How to treat other's anonymity during business meetings. E.g., "so-and-so relaped" in discussing their vacated positions.
- **New Business:** should we consider adding a disclaimer that participants must show your video once they arrive at meeting? In order to screen for zoom bombers.
