**OLD BUSINESS:**

1. **Motion #2024-09-01:** To revise the ASC Guidelines page 14 § D Voting Procedures, number 7 & 8 to include the words "of votes cast, excluding abstentions,"
  7. A simple majority of votes cast, excluding abstentions, will decide all regular business matters and elections, unless otherwise indicated by Parliamentary Procedures.
  8. A two-thirds ( $\frac{2}{3}$ ) majority of votes cast, excluding abstentions, shall decide policy matters, budgets, and Guideline changes after having been tabled until the next regular ASC meeting, Tabling is so that GSRs can take back to Groups to discuss and vote.

**Maker:** Kelly C. **Second:** Stephanie M.

**Intent:** The intent of this motion is to align our voting process with Robert's Rules of Order and eliminate confusion in our guidelines. We have been calculating majorities (51%) or two-thirds (67%) based on all members present, including those who abstain, which can block votes and does not follow Robert's Rules as referenced in our guidelines. This clarification specifies that votes should be calculated based only on the votes cast, excluding abstentions. This ensures abstentions do not affect the outcome and prevents future misunderstandings about their impact to the final vote.

**RESULT: PASSED (Y: 39 N:4 A:1 Needed to pass – 29)**

## PUBLIC RELATIONS REPORTS

### Community & Schools Outreach

**Petaluma High School Presentations—Sharing the NA Message:** A heartfelt thank you to all the amazing NA members who gave their time to be part of the NA Presentation Panel at Petaluma High School! Over two powerful days (Nov 6-7), we had the chance to share our NA message with students across four class periods.

Here's the exciting part: the students and teachers were so engaged that they asked for the *NA Basic Text* to be added to their school library—how incredible is that? And that's not all! Public Relations (PR) will now be sharing *Am I an Addict?* IPs with students—and get ready for this—handing out "Welcome" key tags to them too!

To make the most of this awesome opportunity, PR is gearing up to stock up on more literature. What a beautiful example of carrying the message and making a difference in the lives of others. Together, we are spreading hope!

### **Calling All NA Members: Be the PR Community & Schools Coordinator!**

Did you feel the power of the NA message in the above Petaluma High School report? This is your chance to be part of something truly impactful! PR is growing its outreach, and we're looking for someone who feels inspired to step into the role of *PR Community & Schools Coordinator*.

If you've ever thought about service work, this position is a beautiful way to help. Think back to your own teen years—if you struggled with substance use, you know just how much it matters to bring hope and the NA message to young people.

This is your opportunity to make a real difference. By joining Public Relations as the *Community & Schools Coordinator*, you'll connect with students and share the NA message in a way that touches their lives. Your service could be the spark that helps them find hope and recovery. Check out the [PR Guidelines](#) to learn more about the position. Together, we can keep making a difference. **Will you step up?** ❤️

## Parole and Community Team (PACT)

In early November, several agencies of Sonoma County hosted their PACT (Parole and Community Team) meeting in Santa Rosa, bringing together parolees from Marin, Napa/Solano, and Sonoma County. The PACT program is a vital lifeline for individuals transitioning back into the community after incarceration, offering essential resources and support. PACT meets generally every two months.

At this meeting, the NA desk was a standout—parolees eagerly gravitated to it, showing just how much they want to connect with our fellowship. This inspired our PR team to begin stepping up efforts to coordinate with other NA Areas, ensuring these individuals find meetings in their local communities.

The Sonoma County PACT panel works alongside agencies like Catholic Charities, JobLink, Social Services, and Santa Rosa Junior College, creating a network of support for those in need.

## Be the Light: Join the PACT Effort to Share the NA Message!

If you feel called to carry the NA message and help parolees connect with life-changing NA resources, this is your moment. Your service can be the hope and guidance they need as they rebuild their lives.

Don't wait. Don't delay. Step up and join us in making a difference today! Contact us at [PR-Team@sonomacountyna.org](mailto:PR-Team@sonomacountyna.org) or (707) 324-4062 x804. ❤️

## Schedule Coordinator Report

We've printed 2,300 schedules for November 2024! Schedules are printed every other month, so the next batch will roll out in January.

Here's the scoop: **Good news:** New meetings and essential updates have been added to reflect the growth of our fellowship. **Challenges:** The format and design have been adjusted *quite a bit* to fit all the growing number of meetings. **Attention, Groups!** Please double-check your meeting details to ensure everything is correct. Let's make sure the schedules are a welcoming and accurate resource to attract "addicts into the rooms"!

You can always access the latest schedules in PDF format, ready to print anytime, by clicking this [GDrive link](#). Prefer online access? Visit the [SonomaCountyNA.org](http://SonomaCountyNA.org) website to find up-to-date meeting information.

### Helpline Coordinator

Our helpline is thriving thanks to the wonderful volunteers stepping up to serve. The Helpline Coordinator has been busy connecting with new volunteers and assigning them to time slots—thank you for your commitment to helping those who reach out!

**For our current volunteers:** Make sure to check out these important resources for answering calls: [Helpline Volunteer Handbook & Referral Policy](#) and the [Helpline Flowchart](#).

**Can you help cover a time slot?** We'd love to have you join the team! Simply share your contact info and availability by filling out the [Helpline Volunteer Signup Sheet](#) or sending an email to

[PR-Team@sonomacountyna.org](mailto:PR-Team@sonomacountyna.org). Together, we're making a difference, one call at a time.

### Literature Racks - Public Communications Coordinator (PCC)

Exciting news! We've added a second rack at Redwood Gospel Mission (RGM), bringing the total to **61 literature racks** throughout Sonoma County, supported by **25 dedicated volunteers**. The "Adopt-A-Rack" program has been a huge success, helping spread the NA message far and wide.

If you'd like to help keep racks stocked or have ideas for new rack locations—like hospitals, schools, jails, colleges, treatment centers, SLEs, or government offices—we'd love to hear from you! Contact us at

[PR-Team@sonomacountyna.org](mailto:PR-Team@sonomacountyna.org). Thank you for supporting this important effort to share hope and recovery! 

### Social Media

Our Instagram community is growing! We're now up to **235 followers** (up from 209 in October) on [@sonomacountyna](#). Follow us for: Meeting info, Daily *Just for Today* video readings, Event updates
