Discussion:

How to stop zoombombers? Is there a guide? https://www.na.org/?ID=virtual meetings

(Administer a meeting - tech tips)

OLD BUSINESS:

Page 3 of 5

CHRISTMAS MARATHON MEETINGS:

Feedback? How was it. What worked well, what could we improve?

 Feedback was that it worked well and nobody mentioned any areas for improvement.

NEW BUSINESS:

Contribution to Area for JAN: \$53.45

Zoom Bombers:

- Having position for "Troll Patrol" (person who only works to keep zoombombers out). OR have Co-Host for all meetings keeping up on the zoombombing controls.
- Make sure that co-hosts are trained
 - o Do we need a Co-Host Training Session Monthly or Bi-Monthly?
 - o Identify Co-Host best practices from "Trainers"
 - Use the Wait Room
 - Don't Let People Rename Themselves.
 - Get readers ahead of time so you can keep it muted
 - Create a standard written protocol for all meetings approved by the group conscience.
 - Create an Ad-hoc committee to create the training guide/protocol/tips & tricks.
 - Co-Host: Assist secretary with looking for people who are raising their hands, unmuting, and chat functionality. Paste the link for the 7th tradition in chat for everyone and the link and password for the proof of attendance. Clean time requirement: 3 months. Will be provided the login info for the meeting. For new business next month (should we add requirement that Co-Host must attend a Co-Host Training session or have advanced zoom experience and/or previously served in a co-host position)
